Make Mum's Day at Jupiters Gold Coast

Forget slippers and breakfast in bed this year and thank the most important woman in your life with an unforgettable day at Jupiters Gold Coast.

This Mother's Day, Sunday May 8, if your Mum is partial to European flavours and dreams of being by the Amalfi Coast, then Cucina Vivo has you covered with a three-course set menu designed to be shared with loved ones.

Take your tastebuds on a relaxing trip across the Italian countryside with a selection of antipasti, chargrilled king prawns, mushroom arancini and baby gem lettuce with hot smoked salmon and radishes.

The main event will consist of slow-cooked lamb shoulder, baked snapper fillet, pizza prosciutto and Morton Bay bug in a lobster bisque with black caviar. The banquet will finish on a sweet note with the flavours of Italy including gelati, tiramisu, daquoise and panna cotta as well as biscotti, amaretti and amarena cherries.

Kids are encouraged to join in the celebration with a special children's menu and an exciting opportunity to make pizza with Cucina Vivo's very own chefs, turning them into Junior Pizzolos for the day.

Or take Mum to the Gold Coast's hottest new venue, Garden Kitchen & Bar where indulgence is definitely on the menu, and Gold Coast crooner Michael Eotvos will be outside on the deck from 2pm-6pm.

Start the day off right with a Mother's Day Frittata, or visit for lunch to experience the incredible set menu featuring a glass of Chandon on arrival followed by your choice of two dishes: Bruschetta, pan seared Kingfish, or Eton Mess of fresh seasonal fruit, crunchy meringue, vanilla cream and passionfruit gel.

Visiting after sunset will entitle you to a glass of Chandon on arrival followed by Bruschetta, Mooloolaba Prawn Risotto and Honeycomb Cheesecake for dessert.

Let Mum put her feet up for a change by surprising her with a buffet breakfast, lunch or dinner at Food Fantasy. The smorgasbord offers something for everyone with special treats for breakfast including French toast with candied pecan nut, Eggs benedict, Quiche Lorraine and a Chocolate Fountain.

So this Mother's Day let Mum have the day off and thank her for being the best Mum in the world by spoiling, indulging and pampering her at Jupiters Gold Coast.
