MAROON FEVER TAKES OVER AT THE STAR GOLD COAST AND TREASURY BRISBANE

THE STAR Gold Coast and Treasury Brisbane are set to host three of the biggest State of Origin celebrations in Queensland - live, large and loud on the big screens.

The Star Gold Coast will see two massive Origin parties under the one roof when the series kicks off on Wednesday June 5, with Live on the Lawn at Garden Kitchen & Bar returning in 2019 and the new state-of-the art Sports Bar also hosting the ultimate State versus State clash live on the mega 9-metre LED TV.

Brisbane-based fans can catch every tackle, try and heart-stopping moment of the series at LiveWire Bar, with all games broadcast live on the big screen and special State of Origin menus on offer including the limited edition 'Queenslander Burger'.

The Star Entertainment Group Managing Director for QLD Geoff Hogg said The Star properties were the best places to enjoy State of Origin if fans couldn't get to the game.

"The quintessential Queensland spirit will be firing at The Star Gold Coast and Treasury Brisbane for State of Origin," he said.

"Queenslanders are passionate about their rugby league and their state, and we look forward to hosting an exciting series and cheering on our boys at our sports bars and at Garden Kitchen & Bar's terrific outdoor event."
