## THE EVENT CENTRE

With this space, the world is your oyster. You can be as creative as you wish, as it is the perfect canvas to transform into your nuptial oasis. One of Australia's most technologically advanced venues, The Star Event Centre offers state-of-the-art sound, LED lighting and restaurant-quality dining – perfect for weddings. The foyer also has the ability to cater for pre-drinks and canapés before guests enter Reception Space, with its impressive 12-metre high ceilings that enable the creation of the most spectacular soirée.

## SOKYO

Award-winning chef Chase Kojima draws on his Japanese training to create an impeccable union of traditional craftsmanship and contemporary flavours that are sure to delight your guests. Sokyo features slick black polished wood, dark modern tones and fish scale textures. This hyper-modern Japanese theme is carried through to oversized anime graphics placed over the main bar. This venue is uniquely edgy and dripping with style.

## BLACK BAR AND GRILL

BLACK Bar & Grill perfectly marries a contemporary Australian grill and rotisserie with a stylish wine bar and million-dollar views of Sydney Harbour and the city. Chef Dany Karam creates classically inspired menus influenced by contemporary European cuisine. The main restaurant dining room is sleek and streamlined, with huge floor-to-ceiling windows. Liberal use of marble, warm timber tones, flattering lighting and copper highlights create an inviting ambiance to engage the senses.

## FLYING FISH

Introducing a fresh approach to Sydney's finest seafood. At Flying Fish at The Star, you'll discover the very best from Australian and New Zealand waters. Delicately prepared with a tempered hand, each dish puts taste ahead of technique with an emphasis on minimal waste and maximum flavour. Take your seat, admire the view and soak up the welcoming ambience that invites you to sit, relax and savour.

## PRIVATE DINING ROOMS

Should one of our restaurants spike your intrigue, our Private Dining Rooms would be the perfect alternative for those with refined guest list. Sokyo, Black Bar and Grill, Flying Fish and Cucina Porto all offer separate private dining zones that can be styled and prepared for the nuptials of your dreams.
