## 40 DAYS OF FLAVOUR THE STAR GOLD COAST ANNOUNCES SENSATIONAL LIVE ON THE LAWN AUTUMN LINE-UP

**The Star Gold Coast** has announced the autumn line-up for **Live on The Lawn**, a season-long series of free music events with the hottest homegrown talent, held in partnership with popular Seltzer brand **White Claw**.

Featuring the best Australian sounds to satisfy our live music cravings, Live on The Lawn features a sensational line-up of big-name acts, acoustic sets and good-time DJs every Thursday to Sunday once the sun goes down.

Producer, songwriter, DJ and vocalist **KLP** kicks things off on **27 March**. Regularly called upon to collaborate with the biggest names in the business, KLP is a talented force of the Australian music industry and responsible for one of the biggest dance tracks of the year with 'Energy' – her smash hit single with Stace Cadet that was nominated for an ARIA, came #21 in Triple J's Hottest 100 and is now certified platinum.

Best Dance Release ARIA nominee and winner of Triple J's Unearthed, **Northeast Party House [DJ Set]** will play on **3 April**. This six-piece outfit has built a cult following thanks to their electrifying songs that combine the heady exhilaration of dance music with pop hooks and a rock backbone.

Founded by producer Benjamin Plant, **Miami Horror [DJ Set]** will whip the crowd into a frenzy on **17 April**, fresh from the release of the 3-disc, 10<sup>th</sup> anniversary edition of their seminal debut album, *Illumination*. With their ethereal melodies, extracted from down-tempo nocturnal soundscapes punctuated by funky struts, glossy electronics, and luminous pop, Miami Horror has generated a staggering 100 million-plus combined streams.

Brisbane's own indie-pop band, **Confidence Man [DJ Set]**, will keep the energy high on **1 May** with their distinct brand of dance pop that has been described as if 'Donna Summer and Giorgio Moroder gleefully discovering house music via Dee-lite'. While the act's last single, "Does It Make You Feel Good" dealt in the universal glee of the dance-floor, their latest bop swerves hard in another direction.

**Set Mo [DJ Set]** are the house masters from Sydney made up of Nick Drabble and Stu Turner. With a big bank of stellar singles including 'White Dress' and 'I Belong Here', the pair constantly push boundaries, with unique vocals, groovy bass lines and sensual strings and will be turning it up on **15 May**.

Sydney duo, **Bag Raiders [DJ Set]** have earned global praise for their electronic sounds since the release of their ARIA-nominated self-titled debut album 10 years ago that featured their multi-platinum festival-anthem 'Shooting Stars'. Look out for their long list of hits, live on The Lawn on **29 May**.

On **12 June**, guests can look forward to ARIA and Grammy Award nominee, **Dirty South**, who started creating

remixes and mash-ups of other artists' work on his family computer as a teen. Prone to grandiose crescendos and euphoric dance cuts, he is now celebrated for his original progressive and electro house albums.

Every other Saturday night will feature one of the purveyors of the underground electronic funk and soul scene, **James Canning**, on the decks, before Radio Metro DJs wrap up the Saturday party.

Music lovers will be able to feast on delicious Southern California-inspired menus from the Container Kitchen on The Lawn, including the \$5 Thursdays menu featuring delicious snacks like Kingston school prawns, fried cheeseburger dumplings and sweet potato empanadas.

Live on The Lawn is part of The Star's *40 Days of Flavour*, an autumn explosion of food, drink and entertainment from 22 March - 30 April. Inspiring locals and visitors alike to enjoy the best of the Sunshine State, *40 Days of Flavours* will bring together cultural tastemakers, expert chefs and music talent in an exciting celebration of the season's best flavours.
