THE  STAR
GOLD COAST

ISOLETTO

An all-new venue has risen above all others on the Gold Coast. With a gorgeous nod to island getaways and summery nostalgia. Blending luxury and simplicity. Playfully blurring the lines between indoors and alfresco. Providing shady nooks and sun-filled decks, open spaces and ocean breezes.

Isoletto Privé is a new, stunning event space now open for bookings at The Star. This beautiful, bright and airy venue, with sweeping views of the Gold Coast hinterland and cityscape, is ideal for premium, intimate celebrations.

The leisure deck encompasses Isoletto Pool Club and Isoletto Privé, which are both available for hire, allowing you to scale your space to match your occasion. And its elegantly minimalist, luxuriously simple design makes Isoletto Privé the ideal blank canvas should event planners wish to transform it. From casual ambience to glam occasion – this venue perfectly accommodates all.
