GRAND POSSIBILITIES AWAIT AS THE STAR BRISBANE OPENS HOTEL BOOKINGS

One of Australia's most anticipated resorts has officially opened hotel bookings for stays from 29 August 2024, inviting guests to check-in to check-out five-star luxury and soak up Brisbane's most spectacular views.

Locals and tourists can be among the first to book a stay in one of the 340 luxurious new rooms within **The Star Brisbane's signature five-star hotel, The Star Grand**, at the heart of the transformational \$3.6 billion Queen's Wharf Brisbane precinct.

Designed to reflect the spirit and energy of the river city, The Star Grand hotel will offer every guest a slice of luxury with rooms ranging from the contemporary River King and City King Rooms, to the sophisticated open-plan River and City Suites, opulent Skyline City Suites and four exquisite Skyline Penthouse Suites.

The Star Brisbane Chief Executive Officer, Daniel Finch, said the launch of hotel bookings marked a pivotal milestone in the resort's multi-staged opening, with The Star Grand part of a collection of dining and leisure experiences to open from 29 August.

"As the team prepare to unveil a destination almost a decade in the making, we are thrilled to invite guests of The Star Grand hotel to be among the first to experience the grand possibilities that await," Mr Finch said.

"The Star Grand's floor-to-ceiling windows will serve as a spectacular vantage point to capture the electrifying displays of Brisbane Festival, before we kick into Footy Finals, Melbourne Cup and all the festivities of Christmas and New Year's Eve.

"With venue openings rolling out over the coming months, our returning guests will have the opportunity to enjoy new experiences each time they visit including a wide-range of culinary delights and the unveiling of our hotel pools, steam room, sauna and gym in time for summer.

"The Star Grand's place within The Star Brisbane and wider Queen's Wharf precinct will add a new dimension to the city, strengthening Brisbane's competitive advantage and providing domestic and international visitors even more compelling reasons to visit Queensland ahead of the 2032 Olympic and Paralympic Games."

Nestled amongst a world of discovery, **The Star Grand** will become the gateway to a vast range of experiences throughout the new 12-hectare riverside precinct, inviting locals and visitors to explore the best Brisbane has on offer.

Guests will be treated to a stay unlike any other from the moment they arrive; a breathtaking 21-metre glass oculus welcoming Brisbane's warmth and light into the resort's grand entrance where First Nations artist Tony Albert's enormous 15-metre floating botanical sculpture *Inhabitant* takes pride of place.

A bespoke hand-made glass Lasvit lighting installation greets guests on entry to the Lobby, as their senses are tantalised by the sights, sounds and smells of The Star's award-winning Japanese restaurant, **Sokyo**. On checking in, they ascend through the resort where the hotel occupies Levels 8 to 17 across two river-facing towers.

Leading international design studio Hassell drew inspiration from the resort's subtropical landscape, mimicking the ripples of the Brisbane River through extraordinary Calacatta Viola and the curves of the Kangaroo Point Cliffs throughout the design of each room. A collective of Australian art highlights the region in its many forms, showcasing bespoke pieces by Brisbane-based artist Anita West, Noosa's Michael Whitehead, Northern River's Jane Hoggard and proud Gumbaynggir and Bundjalung artist, Charmaine Davis.

The 340 rooms within The Star Grand Brisbane begin with 276 standard rooms encompassing the **City King**, **City Twin** and **River King** rooms. With the ability to opt for river or city views, each elegantly designed room features The Star's

signature range of bedding, dual rain showerhead and integrated in-room technology that allows hotel guests to customise lighting, drapery and temperature at the touch of a button.

No comfort has been spared in the creation of the hotel's 60 lavish suites which include 28 **River Suites**, 28 **City Suites** and four **Skyline City Suites**. Ranging between 75 – 113sqm in size, each suite offers a spacious open-plan living area, king bed and a stunning bathroom with a luxurious freestanding bathtub.

Spanning across the top two levels, four exquisite 217sqm **Skyline Penthouse Suites** complete the five-star offering.

Designed for those seeking unparalleled grandeur at every turn, The Star Grand Skyline Penthouse Suites feature a spacious open-plan lounge and dining area accentuated by the finest finishes, two private guest retreats each with their own ensuite, and an oversized bathtub where guests can soak in sunset skies. A kitchenette complete with a well-equipped butler's pantry and separate staff entrance are welcome additions that make sky-high entertaining a breeze.

The Star Grand will feature alongside an array of culinary experiences, dynamic entertainment and event destinations, striking Sky Deck, riverfront parklands and public art trails set to progressively launch from 29 August into late 2024 and beyond as part of The Star Brisbane and Queen's Wharf's multi-staged opening.
