In addition to The Star Sydney's Terms of Entry, the following conditions of entry apply:

1. Subject to condition 5, access to Oasis is open to eligible Members of The Star Club and their eligible guests, that have become members of The Star Club, and is by invitation only. The Star Sydney may, in its absolute discretion, grant, suspend or revoke access at any time and for no reason.

2. Presentation of a valid Membership Card or other access card (as applicable) is a condition of entry to Oasis but does not guarantee entry. On entering Oasis, you must swipe your Membership Card or other access card and produce that card when requested.

6. You are responsible for the actions and behaviours of your eligible partners and guests in Oasis and your guests may only remain in Oasis while you remain present with them.

8. You must not disclose any information about a Member of The Star Club to another Casino Operator or third party, nor are you able to act as a representative of another Casino Operator and/or solicit or refer Members of The Star Club to another Casino Operator or third party.
