

Event Centre

Located on the rooftop of The Star, The Star Event Centre is a \$100 million multi-purpose venue suitable for a wide variety of events.

It can be reconfigured to suit 20 guests for a meeting to 960 for a banquet style dinner or 2,200 for a cocktail. The foyer has the ability to cater for pre-drinks and canapés before guests enter the main room with its impressive 12 metre ceilings that enable the creation of spectacular productions.

The Event Centre offers a fully integrated audio-visual, lighting and production system. It is one of the most technologically advanced venues with a state-of-the-art sound system that is revered as one of the best in Australia.
